

Quetico 100 Bike Tour

Atikokan's own Steep Rock Riders Cycling Club would like to invite you to our annual road riding event! This is our 6th year hosting this event and we would like to share the experience with you and your fellow cycling friends.

The Quetico 100 is a 100 km bike tour held in September on the "highways" of Atikokan. It is broken up into 3 portions, each approximately 33kms long, to allow for participants of varying abilities to partake in the event. Complete the entire course, do just one or two of the legs, or grab a buddy or a family member and split up the 3 portions and complete it together!

What do you get with your \$15 registration? If you register before September 1st you get entered into a draw for a cool bike prize. All registrants will receive refreshments both during the event and following (a lunch is provided). There will be participation prizes for everyone following the event.

This is NOT a race, but is instead a chance to meet up with other people who enjoy road riding and to take part in a great event at a beautiful time of year!

Come and stay at Quetico Provincial Park for the weekend. Bring the family! If you prefer to stay in town, the Quetico Inn is offering a discount to any of our participants. Mention the event and you will get the discount.

Event Date: Saturday, September 18th, 2010 (Rain date Sept. 25th)
