Maps are available at www.tbaycc.ca/route_numbers.html

* TBCC Hill Climb Championship – one race only

** This Two-up team time trials require participants to match up and preferably practice prior to this event. The practice should establish communication and riding protocols prior to racing.

*** The 40 over 40 is a handicap race. A 2 second time bonus is given for each month over age 40. All ages welcome.

VOLUNTEERS: Each club member must take at least one turn volunteering as a marshal during the TT / Road Race season. Please email the race director at racing@tbaycc.ca regarding the TT / Road Race / Criterium you would like to marshal. As safety is the greatest concern, IF WE HAVE NO MARSHALS FOR AN EVENT, THAT EVENT WILL BE CANCELLED.
